A significant part of Ukrainian Days will be about building cultural relations and empathy with Ukrainians here in Denmark as well as about Ukrainian arts and culture in general. An international team of professional artists and curators have planned the festival to revolve around topics such as Ukrainian culture, through a host of workshops, visual art, dance, performances, poetry, literature, and with critical discussions of nationalism, conflicts, postcolonialism.

## WHAT THE ART MARKET SUPPORTS

The money will be donated as follows: 50% will go to Ukrainian Child Helpline, *La Strada*, 25% to the *Ukrainian Emergency Arts Fund*, and 25% to the Ukrainian LGBT+ nonprofit organisation *Insight*.
